

Dear New Patient:

Thank you for selecting Olympic Medical Center as your medical provider. In order to provide you the best and most efficient care please complete the enclosed forms describing your health status and concerns. This will save you time and help us make your visit much more productive.

Please read the information enclosed in this new patient packet. It is essential that you bring all of the following items:

1. Picture Identification (i.e. drivers license)
2. Insurance card(s) and copay (if applies)
3. Completed New Patient forms (enclosed)
4. Medication list or your current medications (if applies)
5. List of vitamins or supplements (if applies)
6. If you are asked to fast prior to your appointment, please refrain from eating or drinking, the only exception to this is water, for 10-12 hours prior to your appointment. We strongly encourage you to drink water, which will aid in drawing your blood.

If you misplace any of the forms listed above, they can be found on our website [www.olympicmedicalcenterseattle.com](http://www.olympicmedicalcenterseattle.com). Valuable information, as well as our clinic policies can also be found on our website.

Due to the volume of patients we see here in our practice, cancellations are requested 24 hours prior to the appointment. We reserve the right to charge for missed or late-cancelled appointments.

For patient's convenience, any lab services we are not able to provide in our facility, we collect lab specimens and they are sent to an outside laboratory. Your services will be billed directly from Northwest Clinical Labs or Cellnetix. Northwest Clinical Labs will be billed under outpatient hospital services, please be aware of your benefits on this service prior to your appointment. If you have any questions regarding this policy please let our office know prior to your appointment.

Your health is our most important concern. If we have the most complete and accurate information we can provide the finest care and service to you. Thank you for your preparation; we look forward you meeting you in the near future.

Sincerely,

Gordon Fall, MD
